

AMENDMENTS TO THE SPECIFICATION

Please insert the following paragraph at page 1, immediately following the priority paragraph.

The file copy of the sequence listing is submitted on a Compact-Disc Read Only Memory (CD-ROM). The sequence listing is saved as an ASCII DOS text file named 2051004.txt (428 KB), which was created on December 1, 2006. The contents of the CD-ROM are incorporated herein by reference in its entirety.

/

AMENDMENTS TO THE SEQUENCE LISTING

Please replace the sequence listing of the application as filed (pages 1-156) with the substitute sequence listing contained on CD-R submitted herewith.
